

GHANA MARKET SYSTEMS AND RESILIENCE (MSR) ACTIVITY

Amendment to the Annual Program Statement (APS) No. MSR-12-2022-001

The USAID supported Feed the Future Ghana Market Systems and Resilience (MSR) Activity would like to inform all stakeholders and the public about an amendment to its Annual Program Statement (APS) No. MSR-12-2022-001, which was published in the Daily Graphic Newspaper on December 20, 2022.

Due to the overwhelming responses and over-subscription in the submission of proposals following the publication of the APS, we decided to bring forward the closing date for proposals submission to July 31, 2023.

All other terms and conditions of the APS remain in effect, except for the revised closing date.

For any inquiries or further information regarding this amendment, please contact the Ghana MSR Grants Team at @ msrgrant@acdivocaghana.org

We thank all stakeholders and participants for their continued interest in the Feed the Future Ghana Market Systems and Resilience (MSR) Activity.
